

Refer to SD-0001 and SD-0012

SANUWAVE is committed to providing superior quality, novel, and cost-effective energy-based medical devices focused on societal needs with the sole purpose of bettering people's lives. Our employees are proudly dedicated to continuously improving the products we provide to clinicians while maintaining regulatory compliance and the effectiveness of our Quality System. We will partner with the community at large to ensure we understand the voice of our customers and consistently provide the most technologically advanced solutions and products. Through collaboration with our business partners, we strive to exceed the needs and expectations of our customers through excellence in the quality of our products and services.
